The New Hampshire Department of Transportation announces the Tolend Road Bridge over the Spaulding Turnpike in Dover will be closed to traffic on Thursday, October 16, 2003 from 7:00 am until 2:30 pm.

This one day bridge closure will allow for the placement of a new concrete bridge deck as part of a bridge rehabilitation project.

A detour will be in effect via Columbus Avenue, NH Route 9 and NH Route 155. The resumption of alternating one-lane traffic across the bridge will take place at 2:30 pm on October 16.
